tap tv PRO

TV Control and Content Management System

Tap TV PRO is an intuitive user interface designed to work with your existing matrix switch. The system allows you to easily change channels on Direct TV and Cable company tuners, see current guides for your area, and make reservations for upcoming channel content. Tap TV PRO includes its own licensed content and Ad Manager tool allowing you to promote *your* business on *your* screens.

THE TAP TV PRO IS COMPATIBLE WITH SEVERAL MATRIX SWITCHES INCLUDING:

Knox Chameleon 256HB and 64i
Extron
Patfinder
Cat X Pro*
