# AMI MUSIC APP

Looking for an easy way to increase jukebox revenue? The AMI Music app lets patrons find, purchase, and play music on your jukebox without even leaving their seats! It's free, fun, and packed with tons of great features that make it easier than ever for patrons to make your AMI jukebox part of their night out.

## GETTING CONNECTED

AMI Music is free to download. Within minutes, a patron can connect to your jukebox and start playing music.

- Download the app from Google Play or the iOS App Store
- Create a free AMI account on the app
- Add funds to the account wallet via a credit card or with Apple Pay®
- Select a venue and start rocking out!

## HOW DOES IT BENEFIT ME?

AMI Music app users have been shown to increase weekly collections by an average of 55%. Why?

- AMI Music promotes your venue to app users
- Patrons love the convenience and cool factor of mobile control
- Patrons enjoy the anonymity mobile control provides
- Mobile control eliminates the need to wait your turn at the jukebox, allowing multiple patrons to make music selections at once
- Bonus Credit feature rewards patrons for purchasing songs through the mobile app and encourages more play
- Canadian credit card support
- More music means more wet sales

Give your patrons FREE mobile credits with AMI promo codes.

## HOW DOES AMI MUSIC WORK?

AMI Music makes it easy for patrons to get the most from your jukebox.

- View what's currently playing on the jukebox from your phone
- Browse the top 40 artists and songs played at the venue
- Browse the jukebox's selection of 1-credit plays
- Browse artists by albums, top songs, or songs A-Z
- Build playlists of your favorite music for quick access
- Find the song you want to hear and press play
- Funds are subtracted for each song played
- Available in Spanish
