NGX[®]

INFINITY

THE FLOOR-MODEL JUKEBOX
DESIGNED TO TURN HEADS
AND TURN A PROFIT

COMPLETE MUSIC AND SOUND SYSTEM

Every AMI jukebox is crafted to stand out from the crowd, but the NGX Infinity takes things to a new level with attitude, style, and a fully integrated speaker system that's ready to rock. Complete with mid-bass, tweeter, and subwoofer speakers, infinity lighting, and a widescreen high-definition display, it's the floor-model jukebox rich in AMI tradition, but built for the new era. Best of all, like all AMI jukeboxes, you can connect your Infinity to one or more TVs and offer your patrons the option to play music videos and trivia!

JUKEBOX TECH SPECS

- 23.8" wide HD touchscreen display for music selection and promotions.
- Upper and lower LED Customizable Infinity Lighting dances to the beat of the music.
- 1,000 Watt, 2-Channel Amp System.
- Built-in Sound System with (1) 12" Powered Subwoofer, (2) 6" Mid-Bass Speakers, and (2) Tweeter Speakers.
- High-power computer core includes the motherboard, power supply, I/O controller, and solid-state hard drive.
- Audio output transformer provides external speaker taps (including 70 volt).
- Wired and IR wireless remote controls.
- Credit card reader and single or dual MEI BA with 700-bill capacity (contact your distributor for Canadian and International options).
- Hard-wired broadband Internet connection required

OPTIONAL ADD-ON KITS & HARDWARE

- Use our Infinity [Mounting Kit](#) to easily attach a TV to your Infinity jukebox! (1x2 [Video Splitter Kit](#) available.)
- Upgrade your NGX Infinity sound system from 2-channel to 4-channel with our [Amplifier Upgrade Kit](#).
- Go wireless with Verizon Wireless Aircards
- Second audio output transformer.

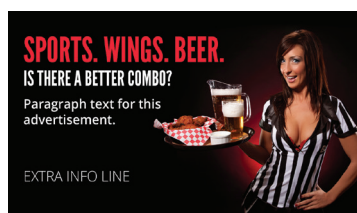

PLAY MUSIC VIDEOS

- When a patron selects a song that has an available music video, the jukebox UI (or AMI Play app UI) suggests upgrading to the video selection.
- Patrons pay a small upcharge for video selections.
- Selected videos play on TVs connected to the NGX Infinity.
- AMI's Music Video On-Demand (MVOD) feature grants players access to the full library of more than 35,000 music videos.

PLAY INTERACTIVE TRIVIA

Offer patrons an exciting new way to engage with interactive trivia displayed on TVs connected to the NGX Infinity.

- **Scheduled Trivia Sessions:** Trivia games run every 20 minutes, spanning 20 diverse categories with questions and answers displayed on TVs connected to the NGX Infinity.
- **Easy Patron Participation:** Patrons answer questions using the AMI Play app, at no cost to them.
- **Flexible Scheduling:** Operators and Venue staff can schedule trivia sessions, switching to music video selection when trivia isn't running.

PROMOTE YOUR BUSINESS

AMI Ad Manager lets you transform the NGX Infinity's UI screen and its connected TVs into your own in-venue billboards. The powerful digital signage tool is standard with your jukebox. Whether you're promoting current offerings or upcoming specials, there are hundreds of ways to put Ad Manager to work for your business.

- Promote daily and nightly specials! Schedule promotions in advance by selecting times and dates for ads to display on the jukebox and on connected TVs.
- Choose from over 1,900 pre-made templates or upload your own images to easily create custom digital advertisements.
- Instantly create and run ads in real time for special events, groups, and more.
- Ad Manager can be accessed via amientertainment.net or using the convenient Co-Pilot mobile app.
