

THE NEXT GENERATION OF IN-VENUE ENTERTAINMENT

LONGER VISITS - BIGGER PROFITS - MORE FUN

PHANTOM DIMENSIONS:

H: 5.125" x W: 5.125" x D: 1"

Weight: 1lb

TV(s) not included

Turn your TVs into an entertainment hub that **keeps guests engaged, spending, and coming back for more.** With the Phantom, your venue has the option of pay-to-play songs, music videos, interactive trivia, background music, and digital signage—all in one sleek platform.

PAY-TO-PLAY MUSIC

Boost engagement and revenue with interactive, pay-to-play music. Guests use the AMI Play app to instantly queue their favorite songs, boosting dwell time and revenue. You stay in control with customizable catalog settings and lyric filters—ensuring every track fits your venue's vibe.

MUSIC VIDEOS

From chart-topping hits to unforgettable classics, your guests can enjoy access to over 40,000 selectable music videos playing on TVs connected to the Phantom. The AMI Play app even lets them know when their song comes with a video.

INTERACTIVE TRIVIA

Turn your TVs into live entertainment with interactive trivia games powered by the Phantom. Venue managers can schedule new games across a mix of categories. Guests don't just watch—they join in real time through the AMI Play app to answer questions and compete for fun.

BACKGROUND MUSIC

Set the perfect tone with expertly curated background music. Choose from a wide variety of stations and fine-tune your playlist by the hour to suit changing crowds. You control the mood—day or night. No coins. No hassle. Just a seamless soundtrack that keeps guests comfortable and staying longer.

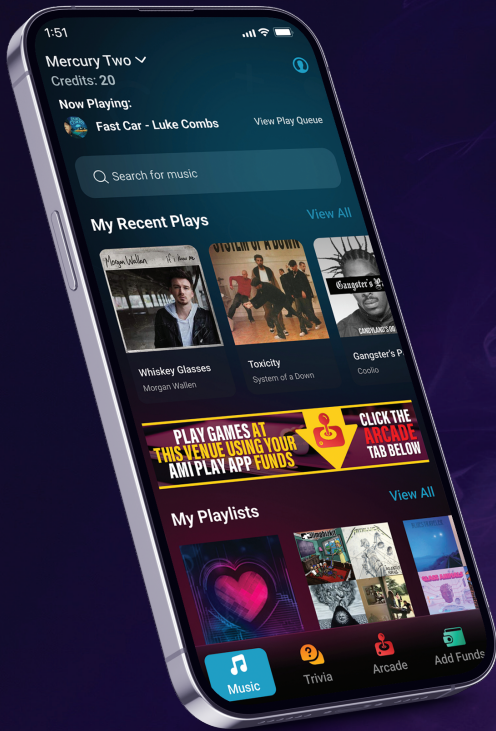

DIGITAL SIGNAGE

The Phantom includes our digital signage tool—completely free. Highlight happy hours, promote food and drink specials, or showcase branded ads right on your venue's TVs. It's the simplest way to drive sales and keep attention where it counts.

COMPACT, CASHLESS, AND COMPLETELY HASSLE-FREE

The Phantom is the entertainment platform that fits **anywhere**—literally. The hardware weighs less than a pound and can be tucked away in your back room. Just connect it to a TV and amplifier, now you're ready to stream **music and music videos, run trivia, and display ads.**

No cashbox collections. No bulky wall hardware. Just a sleek, modern system that runs entirely through the AMI Play app—making every transaction fast, cashless, and effortless.

GET THE WORD OUT

Take advantage of our eye-catching **posters, table tents and coasters** to guide guests on how to play their own music and join trivia games. Your connected TVs then reinforce the message, turning every screen into an instant promotion for the AMI Play app.
